MGC HEALTH™ PREMIUM KNEE WALKER

MGC HEALTH Premium Knee Walker is an attractive and pain-free alternative for crutches. It is completely tool-free to assemble, made from steel, but easily foldable for transport in the trunk of any car. The contoured leg pad provides the patient with comfort and safety. The knee walker's 9" pneumatic wheels make it ideal for indoor and outdoor use while the dual braking system help maximize safety.

FEATURES

- Available in metallic Blue, Red and Silver, and Black matte colors
- Supports up to 300 lbs.
- With a backpack-style bag, easy to remove when on the GO!
- The only knee walker available with pop-in wheels with patent pending.
- Ideal for individuals recovering from foot surgery, breaks, and sprains
- Contoured and padded leg pad provides comfort
- Dual braking system
- Tool-free assembly
