

MGC Health™ Deluxe Rotating Bath Stool in Microban

POWERED BY
MICROBAN®

MGC HEALTH™ Deluxe Rotating Bath Stool with MICROBAN® antimicrobial & antifungal technology is a must-have bathroom aid accessory to prevent slips & falls in the shower or a bathtub. This bath stool has a padded rotating seat, that locks every 90 degrees to provide extra flexibility and usability for people who have trouble standing and walking. Its 360 degrees rotation function permits safe & comfortable bathing from all sides. This top-of-the-line bath stool is made from thermo-plastics-rubber which is soft. The bath stool comes with a removable tray for easy and convenient storage of your personal hygiene products. MGC Health Bath Safety products provide you with best value for your money. We place great importance on the quality and usability of our Bath Safety Product Items. They are produced for MGC HEALTH at high-quality manufacturers, they passed rigorous safety & durability testing by Bureau Veritas, and each shipment has been inspected by SGS. All MGC Health products come with a limited lifetime warranty,
